Out of area fanciers should contact the loft of their choice to make arrangements. Maximum placement per loft is 20 out-of-area birds. Once a loft has reached maximum amount birds will be placed at next choice, or placed by the committee in available lofts. If one wants birds placed in a certain loft it is important to make arrangements as early as possible. Handlers can only accept 4 birds from one loft, if you have more they have to be placed in another loft. Any birds lost from out-of-area lofts can be replaced by birds from the fanciers in whose loft the birds are. Full credit will go to the person who placed the lost bird. Out of area flyer is responsible for delivery/shipping of birds to an ECC member. All EEC race committee decisions are final.
